

CAPABILITY STATEMENT

OMO Energy and Technology is a full-service wholesale distributor of fuels, lubricants, motor oils, greases, natural gas, LNG & CNG. We have the capability to customize a fuel purchasing strategy to deliver petroleum products and services to any agency. With a commitment to reliability, safety, and sustainability, we provide a comprehensive range of products and solutions that support the operational requirements of various governmental entities. Our comprehensive product range, robust supply chain, commitment to quality and environmental compliance, and customized solutions make us the ideal partner for meeting the energy needs of government operations.
